In accordance with the contracted capacity stated in the property's district heating contract:

Contracted capacity P [kW]	Connection fee [€] 24% VAT
10...40	1,1 x (1 660 + 86 x P)
41...100	1,1 x (1 500 + 90 x P)
101...200	1,1 x (3 000 + 75 x P)
201...500	1,1 x (10 000 + 40 x P)
More than 500	1,1 x (15 000 + 30 x P)

Contracted capacity P [kW]	Connection fee [€] 0% VAT
10...40	1,1 x (1 338,7 + 69,35 x P)
41...100	1,1 x (1 209,7 + 72,58 x P)
101...200	1,1 x (2 419,4 + 68,48 x P)
201...500	1,1 x (8 064,5 + 32,26 x P)
More than 500	1,1 x (12 096,8 + 24,19 x P)

The connection fee includes a branch line that is up to 15 metres in length. Where the length of the branch line is over 15 meters, the price of the additional branch line is 125 €/m (24% VAT).

The customer shall answer for finishing and landscaping work following excavation work on their property. The customer shall also answer for all civil works occurring inside the property, the insulation of the branch line, and the pipes between the metering centre and the heat exchanger.

All civil works and the insulation of the branch line must be carried out in accordance with instructions from Oy Herrfors Ab.
